

A turnkey ICM solution that scales with your business

Are you ready for an ICM solution?

- ✓ Do you pay variable compensation to 50 or more payees?
- ✓ Do you process incentives manually, using spreadsheets?
- ✓ Is a lack of transparency and real-time data frustrating your team?
- ✓ Do you spend too much time processing incentives & reconciling disputes?
- ✓ Do you expect to grow in the future?

If you answered 'Yes' to any of the above, it's time to consider **InnoVyne Express**.

Designed by InnoVyne. Powered by Varicent.

Varicent is the most robust, flexible, and scalable Sales Performance Management software in the industry. InnoVyne Express is an integrated compensation model that allows you reap its benefits in as little as four weeks.

Faster Time-to-Value

Go from spreadsheets to integrated Incentive Compensation Management solution that will transform operational efficiency.

Built to Scale

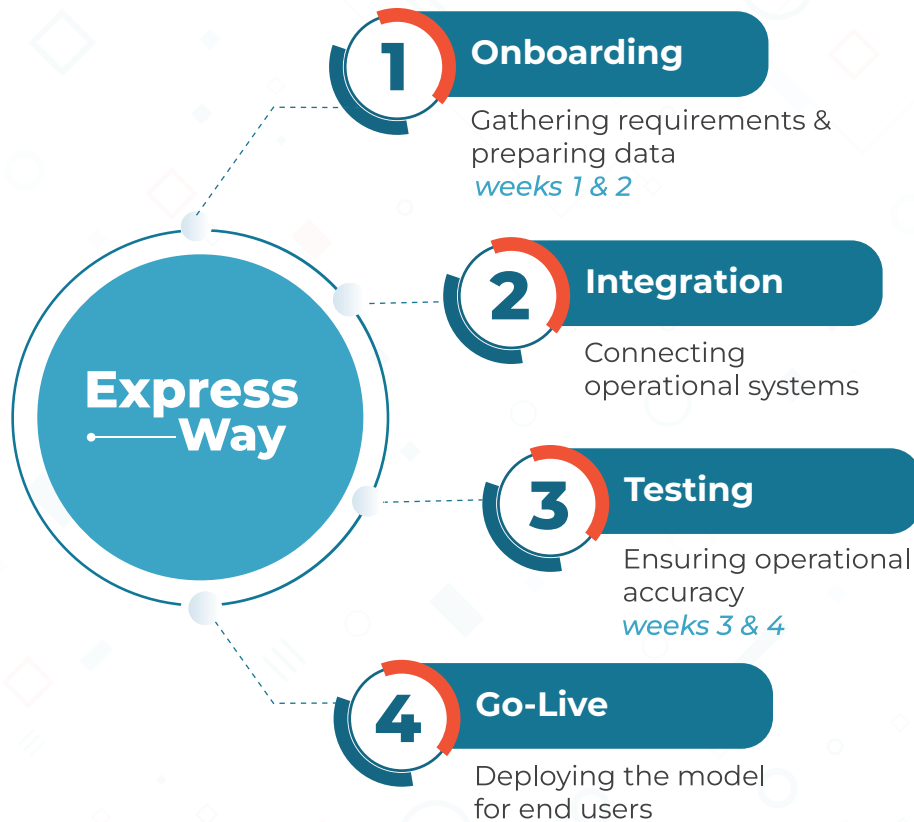

Grow your organization with confidence, knowing your management systems are designed to keep up.

Accelerate Growth

Make informed decisions using top-of-the-line reporting, modeling, and forecasting tools, while routine tasks are automated.

Express Transformation

An ICM Solution That Helps You Do More

Automate Workflows

Boost efficiency by automating routine tasks, from payouts to multi-level quota setting.

Improve Transparency

Increase visibility into the compensation structure with easy-to-use reports.

Make Data Driven Decisions

Provide performance analytics to inform coaching decisions, identify trends, and more.

Centralize Disputes & Approvals

Streamline communication with one central system for signoffs and disputes.

Forecast & Plan with Ease

Plan for the future by modeling different scenarios with ease and precision.

Improve Accuracy & Compliance

Minimize errors and ensure regulatory compliance with the use of rules-based engines.

The InnoVyne Advantage

If there's one differentiator with InnoVyne, it's our above and beyond focus on client success. We understand the value and impact of an ICM solution, and we are committed to helping you realize that value by supporting you at every step, from licensing, to implementation, and beyond. Aggregating a decade of industry experience, InnoVyne Express is our turnkey ICM design that is flexible, scalable, and dramatically improves operational performance—all in just four weeks.
